THE HON'BLE MR JUSTICE L. NARASIMHA REDDY

Writ Petition No.7874 of 2007

ORDER:

The petitioner is the owner of unregistered Tractor and Trailor bearing chassis No.NAE 599, and Engine No.NAE 599. The Motor Vehicles Inspector, the 3rd respondent herein, seized the same on 25-03-2007 under a vehicle check report, on the ground that it was plying without registration, and that the petitioner drove the same without valid permit etc. The petitioner seeks release of the vehicle.

Heard the learned counsel for the petitioner and learned Government Pleader for Transport.

The Motor Vehicles Act (for short '*the Act*') and the Rules made thereunder prescribes the procedure for determination of lapses, if any, committed by the owners of the vehicle, and the consequences that flow from such determination. According to the petitioner, notice under any provision of the Act has not yet been issued.

The question, as to whether the lapses pointed out in the

vehicle check report are true or not, needs to be decided in the proceedings, that may be initiated in accordance with the relevant provisions of law. Continued detention and seizure of the vehicle does not advance the purpose, or interest of the respondents. On the other hand, it would expose to theft of parts, and damage. The interest of the respondents can be protected by directing that the vehicle of the petitioner be released, subject to certain conditions.

Hence, the writ petition is disposed of, directing that the respondents shall release the Tractor and Trailor bearing chassis No.NAE 599, and Engine No.NAE 599 to the petitioner, on his depositing a sum of Rs.5,000/- (Five thousand).

It is directed that the petitioner shall use the vehicle only after it is registered and other formalities are complied with. He shall also file an undertaking to the effect that he shall produce the vehicle as and when necessary, and that he shall not alienate the same, in the meanwhile.

There shall be no order as to costs.

THE HON'BLE MR JUSTICE L. NARASIMHA REDDY

W.P.NO.1680 OF 2007

ORDER:

The petitioner is the owner of a vehicle bearing No.TN 23/S/9000. She holds a permit to operate the vehicle on the inter-state route from Tirupathi to Arakonam. She is said to have submitted an application on 22-11-2004, before the respondent herein, with a request to grant permission to operate additional singles. Her grievance is that the respondent has not taken any action thereon, though more than two years have been elapsed.

Heard the learned counsel for the petitioner and learned Government Pleader for Transport.

The limited grievance of the petitioner is about non-consideration of her application, for variation of conditions of permit. The respondent is not an agency, which functions on continuous basis. Its business is transacted in the meetings, which are conducted occasionally. Compared to the consideration of fresh applications, for grant of permits etc., the application of the petitioner assumes secondary importance. Be that as it may, the very purpose of filing applications for variation of conditions would be defeated, if it kept pending for years together.

Hence, the writ petition is disposed of, directing the respondent to consider and pass appropriate orders on the application of the petitioner, dateds
22-11-2004, in the next meeting, or within four months from today, whichever is earlier. There shall be no order as to costs.
